Please Be Sure

To **fully** complete your section of the claim form. Incomplete information **will** delay the processing of your claim. KEEP A COPY OF YOUR CLAIM FORM.

BE NEAT! If we cannot read your information we may not be able to enter your claim into our system which will delay processing.

DO NOT HAVE YOUR CLAIM FORM COMPLETED PRIOR TO YOUR FIRST DAY OF DISABILITY. Pre-dating your claim form WILL delay your claim evaluation; the entire form may need to be recompleted **after** your disability begins.

If you have more than one job we will need a copy of the other claim form(s) employment section to determine eligibility.

Please Note

You may check our website to see if a check has been released. Go to: <https://www.sslicny.com/BenefitInformation.aspx>. If you do not see that a check has been issued, you can contact us via the e-mail address or phone number noted above. E-mails are responded to by a representative between the hours of 8:30-4:30 Monday-Friday with the exception of holidays.

If your disability is a result of a motor vehicle accident, provide a copy of the police report with your claim. If your disability is the result of pregnancy and you are out more than two weeks prior to your due date, provide your medical records to substantiate your complications.

Please complete a HIPAA form and submit with your claim. This may make it easier for us to obtain information regarding your claim. If your employer does not give you one with your claim form, you may download one from our website at: <https://www.sslicny.com/formsDownload.aspx>
